PROFILE

IT graduate with experience in healthcare customer support, confidential records, and administrative operations. Builds Windows terminal applications, browser tools, and data automation projects using Go, Rust, JavaScript, and Python. Google IT Support training and a foundation in Linux, SQL, networking, and cybersecurity.

TECHNICAL SKILLS

Development: Go, Rust, Python, C, JavaScript, React, PHP, MySQL, SQL, HTML, CSS

Systems and support: Windows, Linux, PowerShell, Bash, TCP/IP, DNS, DHCP, troubleshooting

Tools and practices: Git, GitHub, APIs, scripting, data normalization, document management, Microsoft Office

SELECTED PROJECTS

Pomme TUI | Go, Rust, Windows

Apple Music terminal player with native playback, search, queue management, synced lyrics, library browsing, and listening statistics. Published as a Windows prerelease.

Lime TUI | Go, Rust, Windows

Spotify terminal player with playlists, timed lyrics, queue controls, and nine audio visualizers. Integrates a Go interface with a Rust playback engine; available as a preview.

Orbit HUB | JavaScript, WebHID

Browser prototype for local mouse profiles, DPI control, and limited Logitech RGB lighting. Stores profiles locally and detects device capabilities; hardware support remains experimental.

Online School Management System | PHP, MySQL, JavaScript

Designed and developed a capstone system for San Jose National High School to manage student records, academic documents, and administrative workflows.

WORK EXPERIENCE

Customer Service Representative | Optum | Nov 2024 - Aug 2025

Assisted healthcare providers with claim status, eligibility verification, and benefits inquiries. Handled confidential information while following data privacy and compliance procedures.

IT Intern | Bicol University Accounting, Budget and Supply Office | Feb - Jun 2024

Completed 460 hours of on-the-job training. Organized accounting records, supported document management and administrative tasks, and created graphics for official events and documents.

EDUCATION

Bachelor of Science in Information Technology | Bicol University | Graduated July 2024
